

AXCENT OF SCANDINAVIA

AXCENT OF SCANDINAVIA

Since 1996, Axcent of Scandinavia has supplied the world with watches featuring cutting-edge fashions or classic retro lines with avant-garde touches that help to generate feelings of wonder and awe. Axcent aims consistently to create modern accessories for the individual, and its watches are carefully designed to complement and compliment the style and personality of the wearer by paying great attention to quality, design and durability.
