

HELVECO

HELVECO

SWISS SINCE 1939

HELVECO has a history that started more than 73 years ago in Bienne-the cradle of the Swiss watch making industry. The revival of the brand came with a new strategy heavily focused on style and designed to give HELVECO a powerful new look. Today, HELVECO wristwatches possess all the creativity and innovativeness of Paris and Milan, while staying true to their Swiss origins.
