

# WESTERN

WESTERN  
WATCHES

For more than six decades, WESTERN has defined time for millions of discerning customers worldwide. From its founding in Switzerland, in 1939, the firm has earned an international reputation based on identifying and interpreting the contemporary spirit. Today, you'll find WESTERN in 20 countries around the world – wherever men and women value exacting quality and effortless style. For more information about our exhibit, please visit us at: <http://www.westernwatches.com/brandgallery2006>
