FRANCK MULLER
GENEVE

Crazy Hours 10th Anniversary

Founded in 1991 in the village of Genthod, close to Geneva, the FRANCK MULLER® brand in mere 20 years has been dazzling the world with creations that represent major technical advances in the history of haute horlogerie. Distinguished by inimitable designs and groundbreaking innovations, its world premieres and patents harmonised by aesthetic perfection have been received with great enthusiasm.

Every collection calls for special care because it embodies the very essence of FRANCK MULLER®, namely to leave its mark on history through timepieces that are innovative and of the highest quality, reinforcing its highly acclaimed title as the Master of Complications.
