5.15. Internet Access at the Fair

To ensure smooth Internet access during the fair period for business usage that requires stable connection (such as website demonstration, download of multimedia files, remote access to company server, etc.) throughout the Fair, exhibitors are advised to order a dedicated Broadband Line inside your booth, instead of relying on the Wireless LAN service provided by HKCEC (Please refer to FORM 5 in the "Order Forms").

All exhibitors are kindly reminded that the free Wireless LAN service operated by HKCEC intends only for light and casual usage by a limited number of users simultaneously. The wireless connection may fail or become slow and/or unstable during the fair period, and will disconnect if the connection is idle for over 10 minutes. As an alternative to the free Wireless LAN service, broadband connection will be set up by HKHKTDC in designated areas of the Fair for both exhibitors and buyers.

If you encounter any problem with the Wireless LAN service onsite, please proceed to the Customer Service counter or call the Wireless LAN Service Hotline at 2582-1846 / 2582-1849 for technical support and assistance.

5.16. Free Publicity Arrangement

International and local media can freely collect materials available there for their reference and use. This service is free of charge for exhibitors.

Whether your materials will be picked up for publishing is totally at the media's discretion. All submitted materials will not be returned.
