BRANDED TIMEPIECE EXTRAVAGANZA

Running concurrently with the HKTDC Hong Kong Watch & Clock Fair, Salon de TIME is dedicated to branded watches and designer collections. Themed “Our Time. Our Moments”, this year, over 140 elite brands are seizing the opportunity to showcase their creations on this preeminent platform.

The Fair is categorised into six distinct zones: World Brand Piazza presents masterpieces from watchmakers at the pinnacle of horology; Chic & Trendy highlights fashion watches designed for the style-conscious; Craft Treasure features exquisite mechanical timepieces and bejewelled watches; Renaissance Moment displays classic and elegant timepieces with European origins; Wearable Tech focuses on smart watches and tech-driven models; and the newly introduced Microbrands zone showcases niche brands from Hong Kong and Europe, providing an excellent opportunity for brand owners, watch lovers and collectors to interact.

All these watches – ranging from Guo Chao-style watches to green watches, as well as models that are customisable and made by independent watchmakers – are valued not only for their quality and appealing designs but also for their compelling brand stories and marketing campaigns.

Salon de TIME’s popularity extends beyond its role as a premier sourcing event. Throughout the show, both buyers and the public can enjoy watch parades and celebrity appearances. They can also participate in lucky draws, smart bidding, watch appreciation and exclusive sales events.

Salon de TIME is jointly organised by the Hong Kong Trade Development Council, Hong Kong Watch Manufacturers Association Ltd and The Federation of Hong Kong Watch Trades & Industries Ltd.

THE FINEST HOURS

Since its inception, World Brand Piazza has been a showstopper at Salon de TIME. Reserved for some of the most prestigious names in the industry, the zone captivates visitors who appreciate timepieces that are far beyond mere instruments for marking the passage of time. Whether a tourbillon, a perpetual calendar or a simple three-hand model, each piece here is a testament to the technical excellence and artistry of traditional, high-end watchmaking, connecting wearers to a rich horological heritage. Crafted by artisans who honour a legacy of craftsmanship, these timepieces embody the essence of luxury and the art of watchmaking.

Sponsored by Prince Jewellery & Watch for the 15th consecutive year, the zone features nine renowned international brands, including Baume & Mercier, Corum, CVSTOS, DeWitt, Kerbedanz, Montblanc, Peonia Diamond, Sarcar and Ulysse Nardin.
