A STAGE OF HOROLOGICAL MARVELS

Time may be constant, but its expression is infinite. Recognising that buyers today value ingenuity and unique styles over mere timekeeping, distinguished watchmakers are rising to the challenge — enchanting the market with a symphony of designs.

Welcome to Salon de TIME, a premier global stage showcasing a vast array of branded timepieces. This year, the fair presents more than 150 elite brands from around the world, displaying unmatched watchmaking calibre and brand visions that set them apart.

The fair comprises six distinct zones, including World Brand Piazza, Chic & Trendy, Craft Treasure, Renaissance Movement, Wearable Tech and Microbrands. Together, they line up an incredible spectrum of timepieces originating from avant-garde independent ateliers and top-tier marques.

Far more than a showroom, Salon de TIME is also a dynamic hub where partnerships are forged, innovative ideas are born and industry professionals connect. The fair is jointly organised by the Hong Kong Trade Development Council, Hong Kong Watch Manufacturers Association Ltd, and The Federation of Hong Kong Watch Trades & Industries Ltd.

Delve into these pages to uncover your next horological highlights, and visit the show floor to see, touch and experience them firsthand.

WATCHMAKING AT ITS FINEST

Now in its 16th year of sponsorship by Prince Jewellery & Watch, World Brand Piazza continues to be the crown jewel of Salon de TIME. Showcasing the pinnacle of fine watchmaking, this exclusive zone celebrates technical distinction, rare artistry and a shared dedication to perfection.

The showcase features six prestigious international horological houses, each defined by an uncompromising commitment to precision and aesthetics: Baume & Mercier, Corum, DeWitt, Franck Muller, Montblanc and Sarcar.

Whether captivated by a bejewelled guilloché dial, a movement elegantly revealed beneath the crystal, intriguing case geometries, or the quiet sweep of the seconds hand, buyers and connoisseurs will marvel at the ultimate mastery of these extraordinary wristwatch makers.
